

Avenica

Career Readiness; Career Opportunities

Deadline: n/a
Year in College: Senior, Alumni
Work Authorization Required: Yes

What is it?

A career coaching and job placement program that helps emerging professionals just like you identify and kickstart right-fit career paths.

How does it help you?

Participants will take a skills and behavioral assessment, receive two one-on-one coaching sessions, and the possibility to interview with some of Avenica's 150+ employer partners. This personalized job readiness training will give you an advantage as you enter the job market.

How to sign up?

1. Visit our Avenica Pathways page <https://avenica.com/thedream-us/> to learn more and get started with career coaching sessions
 - a. After signing up, take assessment test via link sent from Avenica (check your spam folder!)
 - b. After completing assessment, Avenica will email you to schedule your first coaching session.
2. If you do not need the career coaching sessions or if you received coaching elsewhere, you may be considered for job openings with AVENICA's employer partners by sharing your resume with AVENICA. Once they receive your resume, they will email you for next steps. Share your resume via this link <https://avenica.com/apply-now-thedreamscholars/>
