What is it?

YuPro is a talent placement and career coaching firm focused on helping Opportunity Youth, like DREAMers, access jobs and careers.

How does it help you?

Career coaching helps you map out your career paths and market yourself to employers with confidence and self-assurance. You have the possibility to find jobs through YuPro's employer partners.

How to sign up?

You may choose to participate in one of two ways:

1) Sign up to take a career assessment, receive four one-on-one career coaching sessions and be considered for job opportunities with YuPro's 50+ employer partners. To learn more about this opportunity and to sign up [read this flyer](#) and follow all the steps listed to sign up.

2) If you do not need the career coaching sessions or you received coaching elsewhere, you may be considered for job openings with YuPro's employer partners by sharing your resume with YuPro. Once they receive your resume, they will email you to schedule an intake call. Share your resume via [this link](#).

"My coach is knowledgeable, resourceful, and sincere with a drive to help others excel in their careers. I would recommend this program to anybody who needs career coaching. I've been hired!"
