

WE ARE THE AMERICAN DREAM

TELL US ABOUT YOURSELF AND WHAT YOU DO.

“I work as an Academic Support Associate for students at the University of North Texas at Dallas where I am also a graduate student. I administer exams, oversee new student data files, process academic holds, and serve as a campus liaison.”

TELL US WHY YOUR WORK MATTERS...

“My work allows me to support other students in their college journeys by providing support and empathy - particularly to students who have similar backgrounds. This work also allows me to immerse myself in the community where I am studying for my graduate degree.”

WHAT UNIQUE PERSPECTIVES DO DREAMERS BRING TO THEIR WORK?

“As an immigrant college graduate, I understand the importance of inclusiveness, empathy, and privacy for all college students - and particularly for those with immigrant backgrounds like mine.”
