

WE ARE THE AMERICAN DREAM

TELL US ABOUT YOURSELF AND WHAT YOU DO.

"I am a Senior Student Leadership Specialist at Truist Leadership Institute. In my role, I create and deliver leadership development programming using principles of neuropsychology. I am an advocate for diversity, equity, and inclusion focused on supporting Hispanic and immigrant communities in the US. I also serve as President of TheDream.US Alumni Council."

TELL US WHY YOUR WORK MATTERS...

"I aspire to build better communities through leadership, kindness, and perspective. I help students understand the positive force that their leadership contributions have on others and their community. Leadership and mentorship matter!"

WHAT UNIQUE PERSPECTIVES DO DREAMERS BRING TO THEIR WORK?

"In one word, resilience. Immigrants and first-generation Americans have persevered through life-defining obstacles that made them wiser, stronger, and better prepared for real-world challenges. Immigrants are the ever-present reminder that the American Dream is alive and well."
