

WE ARE THE AMERICAN DREAM

TELL US ABOUT YOURSELF AND WHAT YOU DO.

“I started my career in ministry - mentoring young people to help them find their potential and become leaders. I was the multimedia manager responsible for our media productions. I moved into the teaching field and am now a secondary math teacher as part of the Teach for America program in Las Vegas, NV.”

TELL US WHY YOUR WORK MATTERS...

“I believe strongly in investing in upcoming generations. Children and young adults need to know that someone loves and cares for them. This message - together with an investment of time and care - can make a tremendous impact in the world. After all, when we shape people, we shape our future.”

WHAT UNIQUE PERSPECTIVES DO DREAMERS BRING TO THEIR WORK?

“As an undocumented immigrant without access to the benefits of citizenship, I have learned to work harder. This enables me to set an example for others by showing them that "if I can make it, so can you.”
