

WE ARE THE AMERICAN DREAM

TELL US ABOUT YOURSELF AND WHAT YOU DO.

“I am a lab technician in a lab that does COVID-19 testing. We are helping alleviate the pressure that local and state labs deal with by identifying COVID-19 positive patients.”

TELL US WHY YOUR WORK MATTERS...

“Our testing plays a part in limiting the spread of the virus. It is sometimes heartbreaking work, but it is a job I would not give up.”

WHAT UNIQUE PERSPECTIVES DO DREAMERS BRING TO THEIR WORK?

”Like many DREAMers, I’m putting my health on the line for a country I have lived in my entire life and for citizens of this country who don’t know me and never will. But I am willing to do so to help contain the virus. I just hope people keep this in mind when they think of DREAMers.”
